

CHAIRS & STANDS

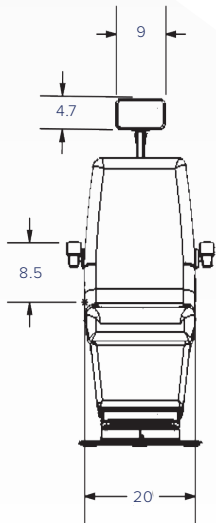

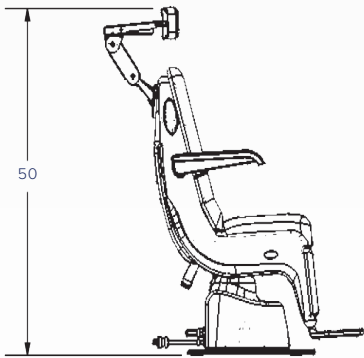

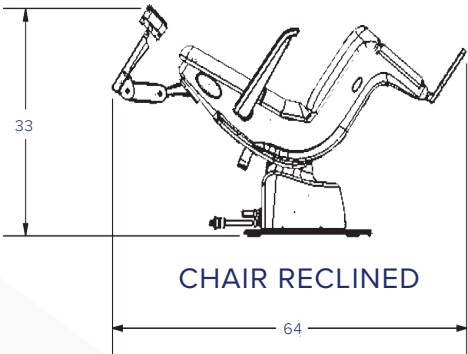

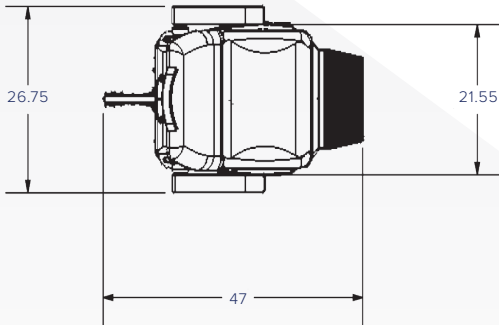

E-TILT EXAMINATION CHAIR

Effortless cradle tilt recline for today's modern practice

- Programmable dual-sided controls with easy illuminated access
- Smooth and silent motorized tilt mechanism for effortless positioning
- Lift System for responsive, smooth, and powerful hydraulic lift
- Memory button to save your favorite position
- Extended rubberized arm covers offering additional support for seniors when standing
- Secure, single-hand adjustable articulating headrest, locks/adjusts easily
- Lower seat and aluminum footrest ideal for smaller or elderly patients and rust resistant
- Compact base plate with a smaller footprint versus competitors for tight exam lanes
