

SLIT LAMPS

The ultimate solution for comprehensive eye examinations

Manufactured and assembled in Europe, S4Optik slit lamps offer high-quality optics and converging mechanics enabling unparalleled clarity and accuracy. Their sleek design and intuitive controls make them easy to use, while durable construction ensures that your slit lamp will withstand the rigors of daily use in any clinical setting.

OPTIONAL ACCESSORIES

- Applanation tonometers
 - o A-800: Designed for H2, H3, H5 (mounting bracket required)
 - o Z-800: Designed for Z2, Z3, Z5 (mounting bracket required)
- Beam Splitter
- Measuring Eyepieces
- Background Illuminator
- Second Observer Tube
- Inclined Eyepiece Adapter (20°)
- C-mount Adapter
- Video Module

Z SERIES

COMPACT ILLUMINATION MODELS

- Smooth base movements, effortless positioning, and fine details
- Superior return on your investment with quality materials offering longevity and reliable performance
- Built-in yellow filter enhances cobalt blue visualization of fluorescein
- Compatible with Marco iON Imaging

MODEL	Z3	Z5
BINOCULAR HEAD	Galilean magnification changer with converging eyepieces	
ILLUMINATION TYPE	Compact	
MAGNIFICATION	10x,16x,25x	6x,10x,16x,25,40x
LIGHT SOURCE	LED	LED
BUILT-IN YELLOW FILTER	Yes	Yes
DIGITAL IMAGING READY	Yes	Yes
OPTIONAL EYEPIECES	No	No
WEIGHT (LBS/KG)	46/21	48/22

SL-Z3

SL-Z5

H SERIES

VERTICAL ILLUMINATION MODELS

- Experience a 20% increase in optical transmission and a 10% increase to depth of field
- Achieve and maintain image fusion easily with comfortable converging binoculars
- Control slit illumination easily and precisely with standard base-mounted rheostat
- All models (except H2) feature built-in yellow filter to enhance cobalt blue visualization of fluorescein
- H3 and H5 compatible with Marco iON imaging

MODEL	H2	H3	H5
BINOCULAR HEAD	Converging Stereoscopic	Galilean Magnification changer with covering eyepieces	
ILLUMINATION TYPE	Vertical		
MAGNIFICATION	10x,16x	10x,16x,25x	6x,10x,16x,25x,40x
LIGHT SOURCE	LED	LED	LED
BUILT-IN YELLOW FILTER	No	Yes	Yes
DIGITAL IMAGING READY	No	Yes	Yes
OPTIONAL EYEPIECES	No	Yes	Yes
WEIGHT (LBS/KG)	49/22	53/24	45/20
