

CHRONOS BUSINESS ANALYSIS

	Conventional Refraction Model	Chronos Refraction Model	Your Practice
Refractionist	OD	Technician	
Objective Refraction Time¹	5 Minutes Tech Time	0	
Subjective Refraction Time²	10 Minutes	5 Minutes	
Exam Time*	5 Minutes	5 Minutes	
Total Time per Patient	20 Minutes	10 Minutes	
Doctor Time per Patient	15 Minutes	5 Minutes	
Potential Patients per Hour	3-4	6-12	

1. Refraction time varies by patient.

2. Exam time varies by practice.

The Chronos Advantage

By delegating refractions and combining the objective and subjective tests, Chronos cuts the total exam time in half and reduces the doctor's time with the patient by one-third.^{1,2}

What will you do with the additional time?

See more patients...and generate more revenue

Add new services to your practice - dry eye management, myopia control, specialty contact lens fitting

Grow your medical eyecare practice

Enjoy time outside of the office

1. Refraction time varies by patient.
2. Exam time varies by practice.
